

Dear Future Grant Writers,

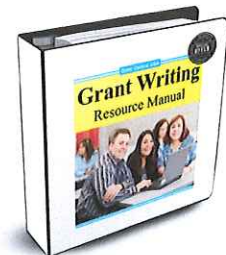

We are happy to announce that we are hosting the ***The Ultimate Grant Writing That Gets Funded*** workshop on **March 23<sup>rd</sup> & 24<sup>th</sup>** from 9 a.m. to 4 p.m. Grant Central USA - Grant Writers Association will be facilitating and conducting this valuable training. They are today's premier leaders in helping organizations develop effective grant development systems to get funded.

Here are a few ways you will benefit from this workshop...

- You'll discover **EXACTLY where the money is and how to get it!**
- Learn how to **persuasively tell your story** so funders want to give to you.
- Gain special knowledge to make your organization a **Grant Money Magnet™** with 10 secrets you don't want to forget!
- You'll benefit by receiving tons of **Grant Writing Samples, Proposals, Articles, Videos, Tips and Best Practices** to save you countless hours of time while helping you to **AVOID rookie mistakes.**

We are hosting this event because we believe it will help our local nonprofits and community. The training has received rave reviews from numerous nonprofits and governmental agencies nationwide and will help your agency to become more effective in securing public and private grants.

- **Seating is limited** and the First 5 to register will receive a **250 page Grant Writing Resource Manual** as a bonus (\$99 value)!
- Receive a *bonus membership* into the Grant Writers Association which includes over 300,000 savings and perks for your agency!
- Every attendee will receive a Certificate upon completion and CEUs!
- Standard Tuition is \$699 and Early Bird Tuition is only \$650 (30 days before the event)
